Interior Customer TO DO List

In order to make your experience with Carlson & Strand Painting a pleasant one, we are providing you with a few things that will help the project run more smoothly. If you have any questions please call.

- Please sign your contract and mail it to us at the address above.
- Please select your colors prior to painting.
- Please remove pictures from walls. Keep nails in wall if pictures will return to the same location. Removed nail holes will be filled.
- Please remove table lamps, small accessories, knick-knacks from tables, shelves and mantels.
- Please remove contents from bookshelves.
- Please remove breakables from furniture or china cabinets in work areas.
- Grandfather clocks should be secured or removed from the work area or remove the weights and pendulum so that we can safely move it.
- Please remove any breakable or expensive items from the work area: Computer, television, stereo equipment, china, crystal or paintings.
- Please remove plants or flowers from work area.
- Please remove towels, rugs and accessories from bath or powder rooms.
- Please make sure alarm systems are disarmed during work hours.
- Please make necessary arrangements for children or pets to be away from the work area.
- Please let us know when we arrive of any special needs or concerns you might have. We truly want to make this a pleasant experience for you.
